

LAWLEY & OVERDALE LOCAL HISTORY GROUP

bridging history in our parish

Lawley and Overdale Local History Group was founded in February 2016. Our focus is to explore the history of our Parish, its communities and those that lived here. From the lost village in Newdale to settlements listed in the Domesday Book; tram ways, mining, reminiscence evenings and to continue research for the established Lawley and Overdale History Trail.

LOLHG covers Lawley, Overdale, Old Park, Dawley Bank, Lawley Bank, Newdale, The Rock, Lawley Common and Lawley Gate. We welcome both current and former residents of the Parish to come along and take part!
